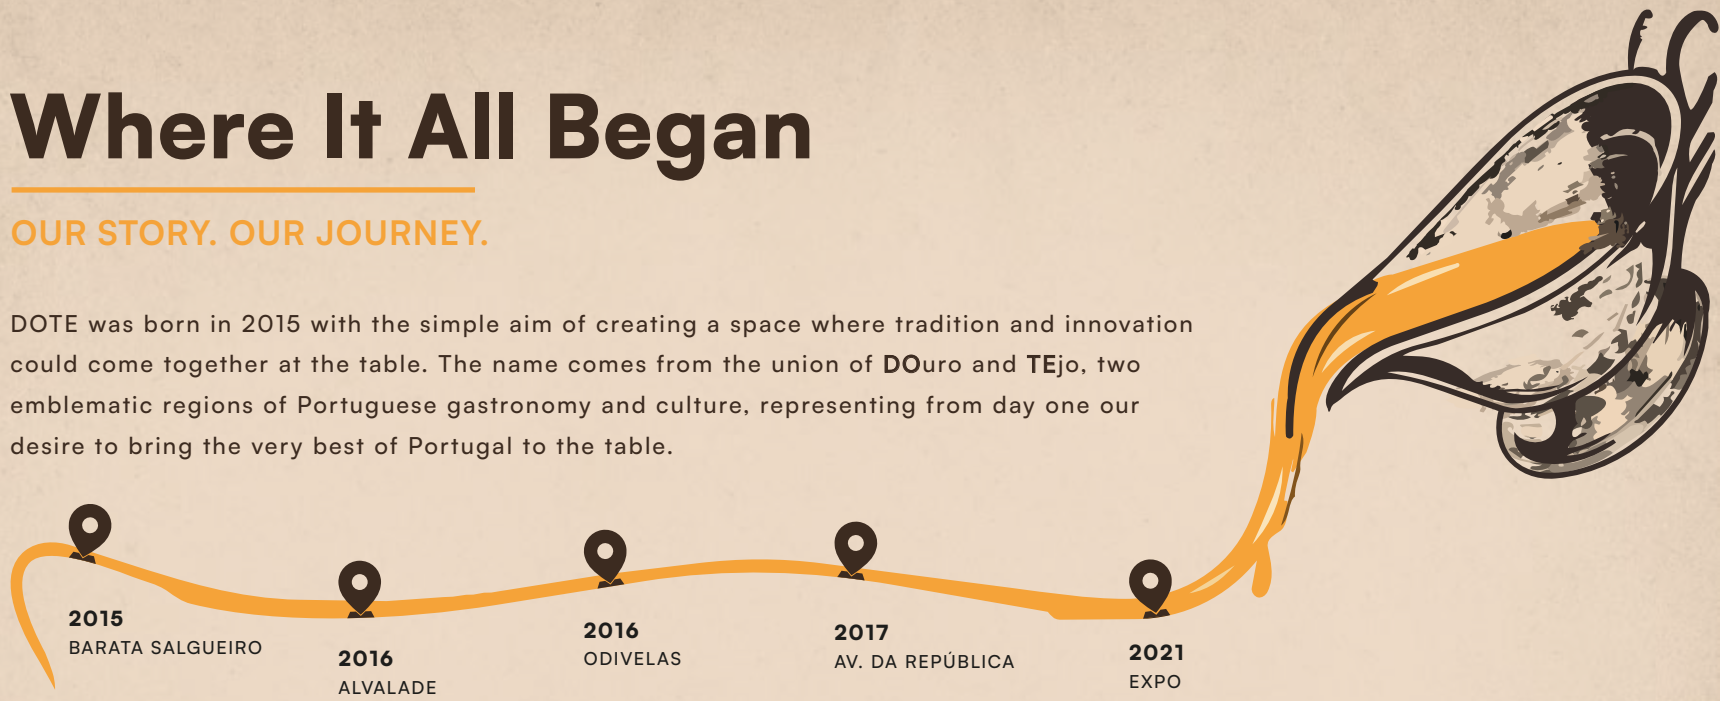
DOTE®

CERVEJARIA MODERNA

Where It All Began

OUR STORY. OUR JOURNEY.

DOTE was born in 2015 with the simple aim of creating a space where tradition and innovation could come together at the table. The name comes from the union of **DO**uro and **TE**jo, two emblematic regions of Portuguese gastronomy and culture, representing from day one our desire to bring the very best of Portugal to the table.



DOTE Sauce

Made with a base of sautéed cured meats and meats, enriched with Port wine, white wine, traditional beer, and a carefully selected combination of ingredients, DOTE Sauce stands out for its subtle touch of tomato, its rich and well-balanced flavour, and a delicate hint of spice at the end.

Braga Sauce

Inspired by the traditional recipe from Braga, Braga Sauce combines traditional beer and Moscatel de Favaios, resulting in a smoother, velvety texture, a more pronounced touch of tomato, and an intense, distinctive flavour, true to the tradition from which it originates.
